

Family Volunteering

The success of our club's obligations to the total swimming community and SDSC's membership depends on the support of family volunteers. In an effort to distribute the obligation fairly throughout our membership, it is essential that each family commit a few hours of their time to helping our swim club.

An added incentive to encourage your participation is that each family member who volunteers for the roles outlined below will receive a corresponding number of ballots towards a free membership next year. Draws for free memberships are as follows:

T1A, T1B, T2, T3 - ONE free membership

T4, Regional – ONE free membership

NOTE: draws are non transferable (to another swimmer) and there is no cash value. Draws will be held at our annual awards banquet.

Each family is responsible to submit their volunteer activity, date and ballot value to the designated coordinator (Barry Gerus) **before MAY 15TH, 2011.** gerusve@yahoo.ca
